

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions and listings of claims in the application:

LISTING OF CLAIMS:

1. (Canceled).

2. (Canceled).

3. (Canceled).

4. (Currently Amended) A refrigerator comprising:

a main body having at least one refrigerating compartment;

a door to open and close an opening of the refrigerating compartment;

a water dispenser provided on the door to supply drinking water;

a drawer provided inside the refrigerating compartment;

a filter assembly disposed behind the drawer to filtrate water supplied to the water dispenser; and

a water tank provided behind the drawer together with the filter assembly to contain the water filtrated by the filter assembly. ~~The refrigerator according to claim 3,~~ wherein the rear surface of the drawer comprises a transparent area that is made of transparent material and

through which the filter assembly can be seen and a non-transparent area that is made of non-transparent material and through which the water tank cannot be seen.

5. (Canceled).

6. (Currently Amended) A refrigerator comprising:

a main body having at least one refrigerating compartment;

a door to open and close an opening of the refrigerating compartment;

a water dispenser provided on the door to supply drinking water;

a drawer provided inside the refrigerating compartment;

a filter assembly disposed behind the drawer to filtrate water supplied to the water dispenser, wherein the filter assembly is mounted on a rear surface of the refrigerating compartment to be provided between a rear surface of the drawer and the rear surface of the refrigerating compartment when the drawer is accommodated in the refrigerating compartment;
and

a water tank provided behind the drawer together with the filter assembly to contain the water filtrated by the filter assembly. ~~The refrigerator according to claim 5,~~ wherein the rear surface of the drawer comprises a transparent area that is made of transparent material and through which the filter assembly can be seen and a non-transparent area that is made of non-transparent material and through which the water tank cannot be seen.
